

## Against All Enemies: Inside America's War on Terror (New edition)

By Richard Clarke

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Against All Enemies: Inside America's War on Terror (New edition), Richard Clarke, When Richard Clarke's AGAINST ALL ENEMIES vaulted in to the public arena, an instant Sunday Times and New York Times bestseller and media sensation, it changed the debate about the war on terror. his revelations about the Bush administration's inattention to the threat to terrorism pre-9/11, and his stinging critique of the impact on terrorism of the war on Iraq, made front-page headlines. It is no wonder the White House went into full attack mode. Yet as the extraordinary reviews attest, AGAINST ALL ENEMIES is far more than simply a book about a single moment in time. It is both the most authoritative history of America's twenty-year struggle with terrorism, and a timeless memoir revealing how the US government really works. Now with a new foreword discussing recent events in the war on terror, and the West's continuing struggle to respond, AGAINST ALL ENEMIES is set to sell for many years to come.
