This was constructed four years ago, of macadam work, and by constant care in sprinkling and occasional repair, it is now in as good order as when first made. The same care will keep it in condition for ten years to come. The writer referred to, says It costs less to properly care for a mile of good macadamized road each year than it does to keep a horse. Grape growers will find the latest authentic information about the diseases and enemies of the grape on page 321, and the article following it applies to the same subject regarding other plants. Ther are both from the most recent and very high authorities, and give as good remedies as can be found anywhere. We are pleased to...
