Bob Oswald is an ordained minister who believes that children ought to have fun serving God. Every week The Bobcats as the kids know them; have new and exciting games to play. I have never seen them play the same game twice. I can tell you that this book is the result of many years of prayer, trial, and error. You will find this book very useful to you no matter if you are in a church of 5 kids or 200 kids. Because of their dedication to children and their call to the ministry, God has given The Bobcats the ability to create a game out of almost nothing. Most of the games you find in the following pages of this book are from simple things that most of us have around the house. During the regular Sunday morning Children s Church services the kids always look forward to the game time. They all know that the Bobcats came ready to play a game or two. Their ministry is a regular part of the Sunday morning Children s Church service. In-between offering and praise and worship is where you will find their ministry. Many people find it hard to allow children to play game during church services. I believe that with the right motive and people in place you can add game time to your regular service....
