Quickturtle Books(r), United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The lion s share of the poems contained in this book was written under the influence of the wolf pack moon during the months of January and February of 2015. This is the name of the winter moon as given by the Algonquin Indians that hunted and gathered the Great Lakes State of Michigan where the author spent his youth. The hard northern winters are a battle between optimism and pessimism and these poems are a reflection of that struggle. These are verses of the lands within and the lands without as written beneath the glow of the wolf pack moon.
