The Times

By R Rakhshani

Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 127 mm. Language: Persian-Farsi . Brand New Book ***** Print on Demand *****.The poems of this book have been written (in Persian Language) over the first decade of the 21st Century. Even though many of them dwell upon issues of consciousness and selfhood in expressing one's ability to observe the injustices and inequalities of The Times, the poems have aimed to evoke energies and feelings that are beyond or beneath language and rational thought. The Times are as much the aggregate byproduct of the humanity's conducts in everyday life, as they form and propagate that conduct. The abject structure of this world forms and shapes the processes and relationships, as the processes and relationships contribute to that abjection.
