*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

MANDALA COLORING PAGES: RELAXING FUN FOR KIDS ADULTS

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Mandalas are circular designs with no beginning or end, and have long been thought of to have healing properties, promote wholeness, well-being and unlimited potential. Enjoy this fun coloring book for adults and kids - full of simple designs, one per page (for those of us who like to finish our coloring project in one sitting!). Adult coloring has become huge, with grownups all over the world finally being able to let their inner child free! Take advantage of these fun designs, color them however you want. There are no rules when you color mandalas! *This is the first in a series of mandala coloring books, with just one mandala per page. Volume 2 will contain the designs with 2-4 per page randomly placed for a bit more of a coloring challenge. (Pick up one of each to suit whatever mood you are feeling that day!).
