VOICE OF OUR ANCESTORS

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Tarl Warwick (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Originally released in 1935, Frithjof Fischer s (Wulf Sorensen s) work Voice of our Ancestors has been conflated with an early Heinrich Himmler writing and not without good reason; the quasi-mystical and obvious folkish overtones (here explicit in nature) fit in well with the latter s own philosophy. As the world approaches the same level of alienation and misery which preceeded the Second World War, once again such literature is as before finding its audience, and the silent voices of the past, for good or for ill, are once again heard.
