## BEST OF THE NATIONAL AIR AND SPACE MUSEUM (HARDBACK)

Smithsonian Books, United States, 2016. Hardback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book. Experience the thrill of flying some of the world s most important airplanes and spacecraft. Best of the National Air and Space Museum provides unprecedented access to the most popular museum in the world. The Smithsonian s National Air and Space Museum hosts an average of seven million visits every year, and the Udvar-Hazy Center--three football fields long and ten stories high--is a phenomenon in its own right: in the first week it was opened, some 250,000 people came through the doors. It now receives more than one million visits annually. Best of the National Air and Space Museum features the best of both museums, from the Challenger space shuttle and the Wright flyer to the Spirit of St. Louis and the stealth bomber. Bob Van der Linden, curator of aeronautics, has selected the most historically important, popular, and just plain impressive aircraft and spacecraft from the collections of both museums to be captured in the book s beautiful full color layouts. Each layout includes intriguing facts of the item s design, use, mission, specifications, and dimensions. It s like your own guided tour!.
