

The Country of First Boys

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altering the way I believe.

(Prof. Loyce Runolfsson Jr.)

Oxford University Press, New Delhi, India, 2015. Hardcover. Book Condition: New. Dust Jacket Condition: New. How do deprivations related to class, caste and gender interrelate? Why are our political leaders so good in saying what should be done without doing anything much about them? How should we think about Sanskrit and ancient India without adding religious colour? Why is it important to revive Nalanda, the world`s oldest university? The Country of First Boys is Amartya Sen`s intellectual journey through the past and present to seek an understanding of India`s history and the demands of its future. The themes of these essays include the hardened and extreme nature of inequality in India and what can be done about it. One of the many rewards of good schooling - denied to most Indians - includes the understanding that India is an integral part of a world civilization. Always sensitive to global communication and interaction, India`s own contributions vary from the development of a multiplicity of astronomically reasoned calendars and the invention of games like chess to the establishment of the foundations of several branches of modern mathematics. In this collection, Sen examines justice, identity, deprivation, inequalities, gender politics, education, the media and the importance of getting your priorities right. These are accessible yet pioneering essays that hold the kernel of many of his seminal works. Table of Contents: Foreword by Gopalkrishna Gandhi Editors Preface Introduction by Amartya Sen India Through Its Calendars The Play`s the Thing The Smallness Thrust Upon Us Hunger: Old Torments and New Blunders Speaking of Freedom: Why Media Is Important for Economic Development Sunlight and Other Fears: The Importance of School Education as a Source of Nourishment for Indian Children Sharing the World: Interdependence and Global Justice The Country of First Boys Poverty, War and Peace What Should...
