SCHOOLS AND COMMUNISM, NATIONAL SCHOOLS, AND OTHER PAPERS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Schools and Communism, National Schools, and Other Papers In 1868 a prominent plea against Free Schools was the argument that the system is communistic in its principle and tendency. Establish free schools and you encourage a demand for free food, free clothes, free shoes, and free homes. Professor Faucett, liberal, fair and progressive as he is, urged the same objection in Parliament, saying, during the discussion of the new Elementary Education Act, which was passed in 1870, if the demand for free schools were not resisted, encouragement would be given to Socialism in its most baneful form. Time tests all theories better than arguments. In Connecticut a decade of free schools has witnessed no new tendencies to Communism. The general intelligence of New England was one obvious cause of its exemption from the communistic railway conflicts in the summer of 1877. The sober second thought prevailed here, while madness ruled the hour elsewhere. The last election in Connecticut showed plainly the popular dread of the socialistic tendencies and dogmas, which were repudiated by both the leading political parties. In Massachusetts, where free schools have been maintained for more than two hundred years, there is as little Socialism as in any land in the world. Indeed, throughout New England, there is no tendency to Communism among the descendants of the genuine New England stock. The minimum that exists is limited to a small portion of the foreign element. Though curiosity attracted crowds to hear Dennis Kearney last autumn, it is due to free schools and the consequent intelligence of the people, that bis communistic tirades disgusted all classes and prompted the candidate who first sought his...
