Not illustrated. 1920 Excerpt: .in the medical school of Shantung Christian University, maintenance funds were continued to that institution and to premedical work and nurse training at the Hunan-Yale Medical School at Changsha, a gift was made to Canton Christian College for a science laboratory, and pledges were fulfilled by continuing appropriations to 25 hospitals. A number of smaller items of aid and service in China are reported in the following section. CONSULTATION AND FIELD SERVICE Expert counsel is often more needed than large sums of money. In many cases the lending of a trained specialist to a government department or an institution may insure the efficient use of funds that are already at hand. Again, a sanitarian or a medical authority may help a ministry of health or a medical school to demonstrate the feasibility of an innovation for which support will be forthcoming. Commission Of Japanese Medical Scientists Arriving In The United States As Guests Of The Foundation Thus during 1923 the International Health Board, in addition to services already mentioned, lent one adviser in industrial hygiene and another in sanitary engineering to the Health Department of the Commonwealth of Australia, gave advice and aid in developing public health laboratory service in seven American states and in five Central American countries, and stimulated the growth of sanitary engineering divisions in three states, of an epidemiological division in another, and of a bureau of vital statistics in still another. The General Director during tours in the United States and...
