

Self-Management: Time Management, Life Management and Personal Management

By Andre Iland

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Self-Management can simply be described as a set of skills, strategies and tactics that can be used to achieve the desired personal and professional outcomes. This book provides an approach for self-management that can well be summarized as a Focus-Analyze-Alter . In order to achieve any desired outcome, you must set the right objectives and keep focus on them. Once you know your destination, it s time to find the right path to your destination. You can find this path by analyzing Goal setting and identifying objectives, personal or professional, is central to our existence. However, fulfillment of the same often remains questionable. Self-management is a set of strategies that can be highly instrumental in helping you set the right goals and work in an organized and decisive manner towards fulfilling the same. Organization, in this context, includes several facets like management of time and resources to facilitate a smooth and focused path to success. It cannot make your path to success shorter, but it can surely make it easier. Decision making and choosing the right options is...
