

British Horror Cinema

By -

Taylor Francis Ltd, United Kingdom, 2002. Paperback. Book Condition: New. 236 x 159 mm. Language: English . Brand New Book. British Horror Cinema investigates a wealth of horror filmmaking in Britain, from early chillers like *The Ghoul* and *Dark Eyes of London* to acknowledged classics such as *Peeping Tom* and *The Wicker Man*. Contributors explore the contexts in which British horror films have been censored and classified, judged by their critics and consumed by their fans. Uncovering neglected modern classics like *Deathline*, and addressing issues such as the representation of family and women, they consider the Britishness of British horror and examine sub-genres such as the psycho-thriller and witchcraft movies, the work of the Amicus studio, and key filmmakers including Peter Walker. Chapters include: * the Psycho Thriller * the British censors and horror cinema * femininity and horror film fandom * witchcraft and the occult in British horror * Horrific films and 1930s British Cinema * Peter Walker and Gothic revisionism. Also featuring a comprehensive filmography and interviews with key directors Clive Barker and Doug Bradley, this is one resource film studies students should not be without.

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- **Lillie Toy**

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
