????? ?????. 2013. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.There are few Great Mysteries in the world where Contemporary Science makes a 55 order mistake trying to explain them. This is the case with the explanation of the Universe expansion acceleration by vacuum energy directly subsequent upon the contemporary quantum theory. It can also imply additional accidental essentials such as the Big Bang, dark energy and dark matter to explain the observed events. However the implementation of additional essentials contradicts to the Occam razor principle. Another reason may be that Contemporary Science does not notice obvious facts and contradictions requiring reconsideration of commonly known dogmata, e.g., the concept of quasars and intergalactic magnetic fields. The book is dedicated to elimination of such Contemporary Science disagreements regardless of additional essentials to reveal the abovementioned reasons and contradictions. Numerous facts explaining the theories described in the book stand as a proof according to Schopenhauer logical postulate where various independent evidences coincidence is their verity. They require theory acknowledgment and challenge Academies of Science of all countries arising the necessity of physics and astrophysics textbooks rewriting. Academies of all countries! To find the verity - unite! This book was created using print-on-demand technology.
