Unicorn Books, New Delhi, India. Softcover. Book Condition: New. Beyond the Realms of Reason is an honest and in-depth attempt to delve into the fascinating but mysterious and unfathomable world of the unknown. Drawing on a wealth of knowledge acquired during her research coupled with the willing testimony of countless people, Dr Mehra Shrikhande describes the many-faceted world of the supernatural in an objective and unbiased manner. As a medical practitioner, she had access to several near-death experiences shared by seriously ill patients soon after their recovery. She interprets the unknown in a highly readable and lucid style that keeps the readers interest alive till the end. True, mankind cant be privy to the riddle which leaves many questions unanswered. This fact lends to the subject its awe and drawing power. The author does not try to answer them; she motivates the readers to try to find them. Printed Pages: 225.
