

Focus on Adult Health's Handbook of Laboratory Diagnostic Tests

By Lippincott Williams Wilkins

Lippincott Williams and Wilkins, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. This companion book to Focus on Adult Health: Medical-Surgical Nursing is a concise, portable, full-color handbook of hundreds of test results and their implications. The two-part presentation includes a review of specimen collection procedures followed by an alphabetical list of tests. Tests include important information about reference values, normal and abnormal values as well as associated nursing implications, interfering factors, and essential nursing considerations before, during, and after the test.

Reviews

Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Dr. Catherine Wehner

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
