Brand New Book ***** Print on Demand *****.Whether NASA is using social networks to allow students to interact directly with astronauts or creating a Cloud Computing Platform to give unprecedented access to scientific data, NASA has embraced Open Government. Our founding legislation in 1958 instructed NASA to . .provide for the widest practicable and appropriate dissemination of information. The principles of Open Government have been embedded in NASA operations for 50 plus years. This plan is our start in revisiting these concepts and creating a new level of openness and accountability in our policies, technology, and overall culture. The plan will evolve over time as we continue to see success in these areas and work to replicate it throughout the Agency. The NASA Open Government Plan is divided into two main sections: the Framework and Leadership section and 25 fact sheets. The Framework and Leadership section describes NASA s history of openness and outlines our framework for approaching Open Government. This framework is based on: a perspective of continuous learning; integration of policy, technology, and culture; and the rapidly changing external environment. We believe that integrating Open Government Principles into existing systems (e.g., governance councils and performance management system) provides the best framework for success. Through this plan we establish a solid foundation for institutional change based on the five NASA Open Government principles: 1. Increase Agency transparency and accountability to external stakeholders. 2. Enable citizen participation in NASA s mission. 3. Improve internal NASA collaboration and innovation. 4. Encourage partnerships than can create economic opportunity. 5. Institutionalize Open Government philosophies and practices at NASA. The 25 fact sheets in this plan highlight specific activities at NASA that meet and, in many cases, exceed the...
