George Dureau: The Photographs is an album of the great photographic portraits made throughout the 40 years of Dureau s artistic career-a New Orleans romance between the photographer and his subjects. All of Dureau s exquisite photographs, many of them nudes of black and disabled men, were made in his studio in the French Quarter of New Orleans, or on the city s streets. He began photography for the pleasure of photographing his lovers, and as research material for his paintings. Dureau s career has been the subject of retrospectives at the Ogden Museum...
