AuthorHouse. Paperback. Book Condition: New. Paperback. 100 pages. Dimensions: 10.9in. x 8.4in. x 0.3in. I have always deeply wished to write a book for children. Then I learned of diamond poems, which are poems with two contrasting ideas, with a linking middle sentence, that changes from first to second idea using nouns. An idea struck my mind. I shall write a book intended to help children of all ages to build their vocabulary using these poems. A second idea reeled in. The book will include illustrations from diverse number of children. Then I had a dream, that this book would raise money to help a school in my hometown Korogwe. Then followed a second dream, that one day this book would be accessible to all school children in my native country Tanzania. In a few weeks time, this book came about. I had much fun revisiting my inner child during this journey. An added blessing was to have shared it with a bunch of creative kids whose work is portrayed here too. Have joy recalling the child in you! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
