Giants were human beings of abnormal size and strength. Giants are first mentioned in the Old Testament in Genesis 6:4, where god-like beings were produced by the union of the sons of God and the daughters of men. These giants or Nephilim, became mighty men . . . men of renown, probably a reference to their tremendous height. In our day and time there exists giants as well, or what we might better term great challenges. We face those people or situations of extraordinary size; some real, some imagined, which test our faith in God. Our ability to trust God when faced with opposition is indicative of our level of faith. Looking at the human-side of our circumstance can cause us to lose a divine perspective, to mistrust God, and ultimately to have a faith failure. This book will encourage you to hold on, not give up, and not have a faith failure when you find yourself in a place where situations and circumstances seem monumental and insurmountable in your life.
