PROSE, PHOTOS AND POEMS

New Generation Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This compendium combine s George s loves, travelling, writing, photography and poetry, He writes from the heart, takes photographs that are hopefully constructed well, and the poetry describes the feelings at the time of writing this compendium. At the time he was studying for a certificate of creative writing and some of the pieces were produced for the class. Some of the pieces he might not write or include today, but he stands by them as being right for that time in his writing career. George is influenced by many things. When he enters a room he describes it in his mind. It saves boredom when early. This was the birth of Plagiarism. He was waiting for class to begin and saw a notice about plagiarism, he combined the creative reading and a session of Law and Order, creating the piece. Enjoy the read.
