

20 Disciplinary Strategies for Working with Challenging Students

By William Bender

Learning Sciences International, United States, 2015.
 Paperback. Book Condition: New. 251 x 178 mm. Language: English . Brand New Book. Classroom discipline isn't just about how strict or relaxed a teacher is. Fair, effective disciplinary strategies are essential in every classroom. Educators at all experience levels are looking for practical, research-based strategies to manage difficult situations. 20 Discipline Strategies for Working With Challenging Students provides easy-to-implement solutions, such as flipped, technology-based, and project-based classroom formats, as well as RTI behavioral improvement programs, to improve disciplinary practice. In this insightful book, author William N. Bender provides an in-depth, three-tiered disciplinary approach that includes preventative, whole-class, and whole-school disciplinary strategies; guidance for avoiding triggers for misbehavior; and specific, differentiated strategies for intensive, targeted interventions to ensure that discipline practices are consistently fair and effective. With an emphasis on recent issues and trends, Bender offers practical tips for putting advanced disciplinary strategies to immediate use in the modern classroom and describes the research foundation for each tactic. This book explores: Differentiated disciplinary strategies for diverse scenarios Solutions for specific challenges in modern discipline Recommendations and examples of real-world application Teachers and administrators working in all subject areas and grade levels can quickly...
