Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **A Critic in Pall Mall: Being Extracts From Reviews and Miscellanies** As one enters Rome from the Via Ostiensis by the Porta San Paolo, the first object that meets the eye is a marble pyramid which stands close at hand on the left. There are many Egyptian obelisks in Rome - tall, snakelike spires of red sandstone, mottled with strange writings, which remind us of the pillars of flame which led the children of Israel through the desert away from the land of the Pharaohs; but more wonderful than these to look upon is this gaunt, wedge-shaped pyramid standing here in this Italian city, unshattered amid the ruins and wrecks of time, looking older than the Eternal City itself, like terrible impassiveness turned to stone. And so in the Middle Ages men supposed this to be the sepulchre of Remus, who was slain by his own brother at the founding of the city, so ancient and mysterious it appears; but we have now, perhaps unfortunately, more accurate information about it, and know that it is the tomb of one Caius Cestius, a Roman gentleman of small note, who died about 30 B.C. Yet though we cannot care much for the dead man who lies in lonely state beneath it, and who is only known to the world through his sepulchre, still this pyramid will be ever dear to the eyes of all English-speaking people, because at evening its shadows fall on the tomb of one who walks with Spenser, and Shakespeare, and Byron, and Shelley, and Elizabeth Barrett Browning in the great procession of the sweet singers of England.
