

## Economics: A Primer for India

Filesize: 8.11 MB

### ***Reviews***

*It is really an remarkable book which i have ever go through. It can be writter in simple terms and not difficult to understand. I am just effortlessly can get a enjoyment of reading a composed pdf.  
(Dr. Lily Wunsch II)*

## ECONOMICS: A PRIMER FOR INDIA

Orient BlackSwan, New Delhi, India, 2012. Softcover. Book Condition: New. Economics: A Primer for India is tailor-made for foundation courses in undergraduate programmes. Its pedagogic standpoint is based on two convictions. First, a foundation course need not invoke formal economic theory which is a contested terrain, especially at the present time. Second, such a course should be grounded on the empirical reality of the economy in which students live. Through an intuitive approach that combines concepts with history, accounting and data, the primer allows the reader to discover economic processes and institutions. The economic structure of society as three inter-dependent systems, namely production, markets and money, is brought to relief. The process of economic growth as change in this structure will then be evident, as also the critical role of policy in guiding growth. Basic concepts and measures are explained with data from original sources. Printed Pages: 296.
