PROPISI: RUSSIAN LETTERS: TRACE AND LEARN

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. MS Nataliya Illarionova (illustrator). 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Propisi for Preschoolers introduces the basic elements of the Russian handwritten block letters and help with fine motor skill development. The lines, circles, waves, designs, pictures will prepare your child s hand to actual writing. It is important at this age to concentrate on all kinds of fine motor skill activities, not just letter writing. Tracing, labyrinths and coloring are great ways to ensure that your child knows how to properly hold the pencil, how to start and stop at the right points and how to make sure that their hand is listening to them and is going where they want it to go.
