Outskirts Press, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Jesus Is Considered One of the Greatest Prophets of all times by billions of people around the world. Christians Believe Jesus is the Son of God or God Himself. Jesus lived 33 years on this earth. The four main Gospels-Matthew, Mark, Luke, and John-can be read in about eight hours. From the time Jesus was twelve years old, when He and His family went to Jerusalem for Passover, till His first public miracle at the wedding in Cana, little is written about Him. Haven t you ever wondered, what Jesus had to say about various topics of His day? Stories of the Old Testament-Samson, David and Goliath, Abraham, Solomon? What would He have said about issues that are important in our time, such as gays and lesbians in the church, women in the church, financial obligations? Well, with this book, you can go back in time and listen in on conversations He could have had with a whole host of different people-His disciples, His brothers and sisters, Marcus, His Centurion friend, and, even, Satan himself after Jesus Resurrection. This book is ideal for lectures, discussions, plays-or for just plain reading. It can provide subject material for sermons-for those brave enough to use it! This book is an easy read. It contains lots of Biblical references and, even, some Chinese philosophy. The author hopes it will make your imagination soar a little.
