Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throug reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littel)

SPINOZA

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, Spinoza, Richard H. Popkin, This authoritative new introduction draws on both Richard H. Popkin's unparalleled scholarship and a wealth of historical and philosophical sources to highlight the real influences behind Spinoza's thought. Popkin reconstructs Spinoza the man, and his theories, contrasting these findings with some of the popularity held misconceptions. Locating him within the context of his family and background, the author assesses the impact on Spinoza of everything from his infamous excommunication, to his affection for Euclidian geometry and the work of Descartes. With a full account of Spinoza's groundbreaking Tractatus and Ethics, and an overview of his influence on both of his contemporaries and those who were to follow, this concise survey offers a variety of new perspectives, and will be warmly welcomed by students, scholars and interested readers alike.
