Bantam Doubleday Dell Publishing Group Inc, United States, 1999. Paperback. Book Condition: New. Repr.. 234 x 153 mm. Language: English . Brand New Book ***** Print on Demand *****.Six feature films, the wildly successful television spin-off Star Trek: The Next Generation, endless reruns, videotapes, conventions, a line of best-selling novels, and William Shatner's New York Times best-seller Star Trek Memories have kept the Star Trek spirit alive and well, even 25 years after its cancellation. Now this must-have book for all Trekkers -- which covers every episode of the original series, the pilot, and all six movies -- reveals all the bloopers, continuity errors, plot oversights, equipment malfunctions, and goof-ups that discerning, die-hard fans love to spot, but may have missed. Written especially for all those who find themselves thinking, Hey, if the transporter is broken, why don't they just use a shuttlecraft?, this nitpicky volume includes Kirk's toupee watch; an examination of the logic of the miniskirted female crewmembers; number of times Kirk violated the Prime Directive and lots of trivia questions, fun facts, quizzes, and more. Live long and nitpick.
