Dolly s College Experiences

By MS Mabel Cronise Jones

Createspace, United States, 1909. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sitting down on the edge of the bed, Dolly looked around forlornly enough. Of course, she wanted to go to college, but for the first time she realized how dreadful it was, to be away from all the home-folks. In all those great buildings, with their hundreds of students, there was not a soul that Dolly knew. Outside the door she could hear the old girls talking and chattering together. But she was not an old girl. She was just an insignificant little Freshman. No one took the least notice of her. Her father had put her on the train and had even come part way with her. But the real loneliness commenced after she reached Westover. The college bus was there, and there was a good-natured man whom the girls all hailed as Patrick, and who seemed to belong to the college. He was evidently an expert at picking out the students, for when he caught sight of Dolly, he had walked up to her respectfully, and had inquired if she were not going to Westover College.
