## LEARN CHINESE THROUGH ENGLISH

Goodwill Publishing House, New Delhi, India. Softcover. Book Condition: New. (LEARN CHINESE THROUGH ENGLISH) is intended to be an intensive course book for beginners who have just started learning Chinese. This book lays emphasis on improving the ability of the learner to use Chinese for conversation. In recent years, the opportunities for business and educational trips to China have increased rapidly. Without some knowledge of the Chinese language, however, you will be either confined to your hotels and offices where English is spoken or totally dependent on the services of an interpreter. This book provides you the sentence pattern you will most often need and the vocabulary with which you can create new sentences. I have used not only easy-to-understand language, but also simple grammar. By recognizing the grammatical patterns each time they reappear, you will soon be able to use them on your own. In all the chapters, the English sentence is followed by its pronunciation in Chinese, known as pinyin which is the official transliteration of Chinese characters. This is followed by Chinese characters, known as Hanzi. The Hanzi used in this book are the simplified characters of China. Meaning of each Chinese character is given under it in English. If you have difficulty in pronouncing a Chinese word or phrase, you can point to the accompanying Hanzi and ask the Chinese with whom you wish to communicate to read it. In pinyin, I have given tones as they are listed in the dictionary. In the introduction, I have explained how tone of some words depend on the tone of the word following; so while speaking Chinese, do keep in mind this change in tones. The key to learning a new language is repetition. Begin by practising a few simple phrases and then carry on with difficult ones. I am very grateful to...
