

## The Time Travel Trap

---

By Dan Jolley, Matt Wendt

Graphic Universe. Paperback / softback. Book Condition: new. BRAND NEW, The Time Travel Trap, Dan Jolley, Matt Wendt, Imagine you're at a school science fair, excited and hoping your earthworm experiment wins first prize. But then you wander too close to another student's time machine project and--zap!-- you're suddenly jolted back to the past or forward to the future. How will you deal with all the strange situations--and strange people? And how will you find your way back to your own time?.

### Reviews

*Very beneficial for all type of folks. It can be rally intriguing through studying time. You will like how the writer publish this ebook.*

-- **Nathan Cruickshank**

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
