Brand New Book ***** Print on Demand *****.Cheaper than therapy is the true story of a naive, sheltered young man from the northern suburbs of Detroit. The young man bobs and weaves his way through high school, and decides to go to college with all the forethought that goes into buying a candy bar at Walmart. Follow the author through those heady days of high school, including the first car, the first job, and a round or two with old John Barleycorn. His spur of the moment decision to go to college, finds him getting in over his head in the shark infested waters of academia, with some humorous misadventures along the way. During his college years he lands a job at a summer camp that changes his life forever. Follow him on a journey that takes him back to that very same camp, to have closure for an accident on a fateful day in July 1981. Cheaper than therapy is a labor of love. It is the author s baby, which took 25 years to deliver.
