Who doesn t want to be rich and successful? There is a lot of different ideas these days on how to get there, but how can we know which methods work, and which ones are just hearsay? The answer is simple, use ways that are proven. And, to know that they are proven, one needs to do what has been proven to work. We are all aware of Steve Jobs, the man of humble beginnings who emerged as one of the greatest entrepreneurs in the history of the world. It is no secret that every one of us would like to be that successful in our own lives, but let s face it, very few of us have what it takes to make a computer, let alone distribute it to people around the country. So how did he do it? Of course Steve Jobs is human, just like the rest of us, so how did...
