Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Riding with the Lion, Kyriacos C. Markides, This work aims to recover the mystical heart of Christianity, confirming that there is a direct tradition of spiritual practices that the main stream Church has managed to ignore and suppress. The author's quest for higher knowledge takes him on a journey to Maine, New York, London, Cyprus and Greece. His revelation of a vital living mystical practice based in ancient Christian thought, is a major step in linking the most esoteric traditions of the East to the largely hidden esoteric traditions of the West. The book has a wide cultural significance, revealing a Western Christian spirituality that includes space for mystical practice that is too often assumed to be the exclusive domain of eastern religions.
