The very best book i actually read. I was able to comprehend every little thing using this composed e publication. Once you begin to read the book, it is extremely difficult to leave it before concluding.

You re shit out of luck. -Hank Moody A lot of people want to be like Hank Moody - the style, girls, looks, and general aura is enough to send half of the population wild and the other half running to the hills, away from territory where a barely-if-at-all-functioning reckless sociopath alcoholic child-man can become a sex symbol. This is America - the grass is green and the other grass causes a lot more interest. And this is California - all the girls are pretty or they re taken away and (at best) killed or (at worst) shipped to Portland. Presumably. Moore s book on becoming Hank Moody is one of the very best of its genre as a self-help book built around the imagined life of a fictional character. It doesn t teach you how to become fiction, but it will show you the mystical method to becoming more like America s favourite sex-crazed modern romantic. This great guide is helpfully separated into different sections - or, if you re the literary type, chapters - which each talk about a different part of Hank s life and how to best imitate it, mostly simply to fuck beautiful women, but also to explore what life has to offer, celebrate excellent friendships, see how much love, booze, drugs and life can tear...
