BATS GOING BATTY

Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A young child learns a lot about nature when reading up on bats because the book opens many doors to the natural world. Bats are interesting creatures with many evolutionary traits not found in other animals. Also, many kids are familiar with bats through horror films and Halloween decorations. They have little insight into the true wonder of the flying mammal. Upon reading a book about bats, a child might be more inclined to separate pop culture from science when learning.
