Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Qur an is God s verbatim speech for most traditional Muslims. Qur an in Conversation reflects how this sacred text of Islam comes into dialogue with the contemporary world through the voices of the eloquent interpreters gathered in this volume. In Qur an in Conversation , author Michael Birkel engages North American Muslim religious leaders and academics in conversations of scriptural interpretation. Scholars, practicing imams, and younger public intellectuals wrestle with key suras of the Qur an. Qur an in Conversation demonstrates a wide spectrum of interpretation and diversity of approaches in reading Islam s scripture. The discussions directly address key issues in Muslim theology--good versus evil, the nature of God, and the future of Islam. Younger North American Muslims read the Qur an in varied ways; this is analogous to the diverse ways in which Jews and Christians have interpreted their own holy books. Michael Birkel welcomes people of goodwill into a public conversation about the current role of Western Muslims in Islam. Qur an in Conversation encourages non-specialists and Muslim scholars alike to imagine how the Qur an will be interpreted among North American Muslims in years to come.
