Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

DEAD TO THE WORLD: A TRUE BLOOD NOVEL

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, Dead to the World: A True Blood Novel, Charlaine Harris, Sookie comes to the rescue of a naked, amnesiac vampire - and ends up in the middle of a war between witches, werewolves and vampires! Sookie Stackhouse is a small-town cocktail waitress in small-town Louisiana. She's pretty. She does her job well. She keeps to herself - she has only a few close friends, because not everyone appreciates Sookie's gift: she can read minds. That's not exactly every man's idea of date bait - unless they're undead - vampires and the like can be tough to read. And that's just the kind of guy Sookie's been looking for. Maybe that's why, when she comes across a naked vampire on the way home from work, she doesn't just drive on by. He hasn't got a clue who he is, but Sookie has: Eric looks just as scary and sexy - and dead - as the day she met him. But now he has amnesia, he's sweet, vulnerable, and in need of Sookie's help - because whoever took his memory now wants his life. Sookie's investigation into what's going on leads her straight into a dangerous battle between witches, vampires and werewolves. But there could be even greater danger - to Sookie's heart, because the kinder, gentler Eric is very hard to resist. The Sookie Stackhouse books are delightful Southern Gothic supernatural mysteries, starring Sookie, the telepathic cocktail waitress, and a cast of increasingly colourful characters, including vampires, werewolves and things that really do go bump in the night.
