

The Subprime Solution: How Today's Global Financial Crisis Happened, and What to Do About it (With a New preface by the author)

By Robert J. Shiller

Princeton University Press. Paperback. Book Condition: new. BRAND NEW, The Subprime Solution: How Today's Global Financial Crisis Happened, and What to Do About it (With a New preface by the author), Robert J. Shiller, The subprime mortgage crisis has already wreaked havoc on the lives of millions of people and now it threatens to derail the U.S. economy and economies around the world. In this trenchant book, best-selling economist Robert Shiller reveals the origins of this crisis and puts forward bold measures to solve it. He calls for an aggressive response--a restructuring of the institutional foundations of the financial system that will not only allow people once again to buy and sell homes with confidence, but will create the conditions for greater prosperity in America and throughout the deeply interconnected world economy. Shiller blames the subprime crisis on the irrational exuberance that drove the economy's two most recent bubbles--in stocks in the 1990s and in housing between 2000 and 2007. He shows how these bubbles led to the dangerous overextension of credit now resulting in foreclosures, bankruptcies, and write-offs, as well as a global credit crunch. To restore confidence in the markets, Shiller argues, bailouts are needed in the short...
