

Practical Economics (Classic Reprint)

By Henry P Shearman

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Practical Economics The rise and rapid spread of business education which has been such a prominent feature of our modern educational system has not only resulted in a call for courses dealing with particular fields of business activity, as accounting, banking and selling, but has considerably augmented the demand for a knowledge of the general theory of business as treated in the science of economics. From long association with business men as well as from the teaching and discussion of economics with students drawn largely from the ranks of practical men of affairs, I have been impressed with the insistent demand for a simpler and more concrete statement of economic theory than is usually found in the standard works. To satisfy this demand the present book has been prepared. No attempt has been made to depart radically from standard economic theory. The aim has rather been to state in simple language and to explain as concisely as possible, the general laws and principles underlying and governing the production and distribution of wealth in the United...
