Brand New Book ***** Print on Demand *****.Professional Career Planning, Management and Goal Setting. Though it has many applications, this particular workbook is designed with the military personnel transitioning in mind. It also serves to help first-generation professionals of all ages. Starting with the school-age youth who has decided to become a professional but does not have access to people from the professional world. Secondly, the college-age student who is in college but is challenged in deciding what to major in.
