Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

John Wiley Sons Inc, United States, 2012. Paperback. Book Condition: New. 1. Auflage. 254 x 175 mm. Language: English . Brand New Book. The easy-to-use guide to interpreting candlestick charts and derivative markets Candlestick charts are an effective way of visualizing price movements and, due to the increased interest in the complex derivatives market, they are being used more and more widely. A combination of a line-chart and a bar-chart, where each bar represents the range of price movement over a given time interval, candlestick charts are most often used in technical analysis of equity and currency price patterns. A guide to the most used charts, The Bloomberg Visual Guide to Candlestick Charting is arranged in an easy-to-use manner, providing a quick reference for those new to the field. Candlestick charts are formed with the help of the opening, high, low, and closing price of the day if the opening price is above the closing price then a filled candlestick is drawn, and these charts are visual aids for decision making in forex, stock, commodities, and options trading. * Contains alphabetical explanations of over 200 candlestick and related terms * Includes daily charts of 50 companies, and six-month charts for comparative explanations of candlesticks with Western-style technical indicators * Written by Michael C. Thomsett, author of over sixty books and hundreds of articles, including the bestselling Getting Started in Bonds, also published by Wiley * Enhanced eBook editions offer video tutorials, test-yourself quizzes, and full-color/interactive charts and graphs, available for purchase separately. A practical and concise resource for anyone new to this way of representing derivatives, The Bloomberg Visual Guide to Candlestick Charting presents sometimes confusing concepts in a format that is easy to understand and digest.
