The Problems of Hygiene in Man s Dwellings (Classic Reprint)

By Van Der Bent

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Problems of Hygiene in Man s Dwellings The Principal reason for writing this book was the demand for a text book by a great number of pupils who were following my lectures on Hygienic principles in planning of dwellings and elementary instruction in planning of private dwellings, institutional dwellings and hospitals. There being no such work in existence I commenced this book with the intention that it could be used by students as a text book or guide in the study of economical, practical and sanitary planning of various types of dwellings without the necessity of following this study along the lines of a strictly architectural course. In the preparation of data I discovered that the influence of hygienic principles in construction and planning of dwellings is much more extensive than generally realized; also, that the field of this study, the scope, is not limited to the single dwelling but must be considered as much more important in connection with combinations of dwellings, namely - villages, towns and cities. Even the most superficial study...
