Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Drew couldn't imagine anything worse than being stranded in a two-cellular-bar town with a broken-down Ferrari.until his mother-his own mother!-marked him as a rogue Air witch and canceled all his credit cards. Now he's kill-on-sight in the Underground, and the only person willing to help him is the curvy human mechanic who towed his car. A strangely delectable curvy human mechanic. The last thing Erica needs is a yuppie playboy freeloading in her garage. Still, she can't bring herself to turn Drew out into the sultry heat, even if he is a bit of an ass. A gorgeous, incorrigible, everything-your-mother-warned-you-against ass. Soon the heat isn't the only thing sultry in the garage and self-control is the last thing on her mind. They agree to a one-night stand, but Drew's magical secrets are dangerous-and catching up to him fast. Hot and explicit sex with the right (plus-sized) woman just might redeem this bad boy hero. The stand-alone sequel to Wickedly Good.
