Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Annual Report, Presented to the Massachusetts Anti-Slavery Society At the close of the Fifteenth year of the existence of the Massachusetts Anti-Slavery, its official servants appear before their constituents, to render an account of their doings, for the last twelve months. Half of the period allotted to a generation of mankind on earth, has passed away, since the demands of the Age summoned this Society into being. It has had an eventful, and an instructive, experience. The tyrannic omnipotence of Slavery had been seen and felt for long years before it created, by the natural law of moral antagonism, its deadly opposite, in the modern Anti-Slavery Movement, of which this Society was the first organic embodiment. But the development of the purposes of the Slave Power, and the strides with which it has stalked towards its design, have been more undisguised and more rapid, within the last fifteen years, than ever before. Each succeeding year has been more full of the fate of the black, and of the white, races on this continent, than its predecessor. Yearly has it become more and more difficult to compress within the necessary limits of our Report, the most imperfect outline of the facts in our public history, in the direction of which, Slavery has had controlling hand. In what national act, what scheme of public policy, what essential detail of government, executive, or diplomatic, is there, that is not a swift witness to the unsleeping watchfulness, and the omnipresent omnipotence, of the Supreme Power, that rules over this people?
